A monthly report on our life in Vanuatu

Arrrrrrrrrrrrrgb! Our family enjoyed meeting "Captain Jack Sparrow" aboard the Disney Cruise Ship this month. We once again send out a brief report of our time in the States.

INTRODUCING...

...Titus Taylor Brandell, US citizen and passport holder!!!

From the home-front...

What a fun month with our family!!! It was great to spend so much time with the Brandells on a family vacation to Disneyworld at the beginning of the month. Titus and Lexi loved being with their grandparents, aunts, uncles and cousins (and Mickey, Minnie, Donald, Daisy, Goofy ,etc...)! We shared lots of laughs, great meals, fun rides, and made many, many wonderful memories.

We also got to spend some time with some of my aunts and uncles, cousins, and their kids. They got to ride "tractors" (riding lawnmowers), four wheelers, bicycles, and play with lots of fun, new toys!

Eric and I also celebrated our 9th wedding anniversary on June 2nd. Thanks to Eric's mom, dad and sisters, we got a night away at a Bed and Breakfast in Duncan. It was wonderful to get some time alone to visit, talk about our fun memories from the past 14 years, and plan for the future. God has truly blessed us with each other.

And the number one event of the month of June...Titus is finally a US Citizen and passport holder! YAY!!!! Thank you God for the answered prayers for a smooth process!

Love to you all...

Our prayers were answered this month when we were finally able to secure Titus' citizenship papers and subsequently his passport. It was a long journey, and we are so blessed to have it behind us. Thank you for all the prayers and well-wishes as we completed the process! We look back and see God working at every turn.

FURLOUGH UPDATE

Another highlight of our month was getting to take a 4-night Disney cruise with my family in the Caribbean. We laughed, played and ate to our heart's content.

Outside of our family vacation to Florida, we enjoyed getting to spend more time with brethren, friends and family in Oklahoma. God has blessed us richly! We will once again leave you with photos from the month...
